League Accepts the Herald Cup; Won Rockdale Tigers

The Milam County Interscholastic League Committee concluding a session held in Rockdale, under call from S. C. Miles, director, voted formal acceptance of the basketball trophy given by the Cameron Herald and the following statement was made by the Committee regarding the award:

"The American Association for Physical Education says basketball possesses all the qualities necessary for the educable child. As educators we desire physical fitness, emotional stability, and mental poise as chief characteristics for our youngsters. To observe the young basketball player dribbling and weaving his way through a broken field and then suddenly swerving to the side, jumping high into the air and gracefully laying a shot into the basket, is to witness poetry in motion. It is that type of motor floy that the Greeks wrote about centuries ago.

"The basketball player shooting the ball into the basket is improving motor skills and developing co-ordination, rhythm, and confidence. By shooting at the goal above the head, the player is elevating his ribs and thorax, and thus developing the entire upper thoracic area—an extremely important exercise which is much neglected in our age of sedentary existence. Every basket ball coach knows that to play basketball is to exercise the leg and abdominal muscles and, in fact, every part of the body.

"Basketball is rated as perhaps the most popular sport in America today. When our Government reports more than 80 million people of all ages are annually paying admissions to see

the game of basketball, there can be no question of its popularity. Unfortunately, very few of that 80 million live in Milam County, Texas. Fortunately, however, we do have a few people who see the game as we do and wish to stimulate interest in the game of Basketball in Milam County.

"Outstanding among these who wish to promote a keener interest in Basketball is J. B. White, Editor of the Cameron Herald, Cameron, Texas. Mr. White not only follows his team and gives them encouragement by his presence but has provided a beautiful Trophy to be awarded to the County Champions as evidence of his appreciation of a game that makes real men out of the boys of today.

"In accepting this beautiful Basketball Trophy, we, the Executive Committee of the Milam County Interscholastic League, wish to express our sincere appreciation of Editor White and his interest in clean athletics and the work we are attempting to promote.

W. C. (NIG) MOODY FOR DISTRICT CLERK

W. C. (Nig) Moody is a candidate for District Clerk for Milam County subject to the Primary Election to be held Saturday, July 27, 1940.

Friends and supporters throughout the County who have been interested to know of his plans, will be happy to learn Mr. Moody is to be a candidate in the coming Primaries for this important public office. In releasing for publication his announcement, Mr. Moody said that he was deeply grateful for the wide interest that has been manifested in his race and feels that in the outset of the campaign he has sufficient encouragement to warrant entire confidence in his success.

Mr. Moody was a candidate for this office 4 years ago losing by only a small vote. In the campaign in 1936, Mr. Moody said he made the acquaintance of many people and hopes now to see each voter in the county as well as each person, whether they are a voter or not.

"I want to meet all the people," said Mr. Moody, "because I think the people of Milam County are just about the best and most friendly

MRS. GUY T. NEWTON WILL NOT MAKE RACE

More than two months ago, I made the statement that I would not be a candidate for the office of County Superintendent in the forth-coming election. Since that time, a number of my friends have offered me their loyal support and encouragement if I should decide to make the race, and recently I have been re-considering the matter, but still feel that I should not seek the office.

As most of you know, the past five months have been the hardest that I have ever had to endure. The very foundation of my life was swept away with the death of my husband, and it seemed to me there was nothing I could ever be able to do and that it made no difference whether I ever tried again. Then following this there came the realization that on me alone depended the task of making a living for my three children, and only for that reason did I think for a time I might make the race.

I have decided that I cannot afford to risk the expense of my finances or my strength and even though I may not be able to care for my three children as well financially as I might wish, I believe that they are just at the age where they need me at home with them more than at any other time in their lives.

I deeply appreciate the interest and loyalty that my friends have shown in my behalf, and I shall never forget your many kindnesses and words of encouragement. I am grateful for the help I have received in being allowed to fill this office for at least a part of my husband's unexpired term. I feel that I have a heritage of friendship which means more to me than wealth.

County Superintendent, Milam Co.

Methodist to Launch Debt Drive Next Week

Rev. J. W. Mills, pastor of First Methodist Church, said Wednesday the workers in the drive to lift the debt on the church, will meet in the Church Thursday night instead of Friday as originally planned.

The lecture by J. Frank Dobie will interfere with the Friday night plans. Bonds are to be printed this week and are to be sold to members to raise money for the debt payment.

IN UNIVERSITY PLAY
Miss Ella Bess Haygood of Cameron will play Mrs. Soames in "Our Town," Pulitzer Prize play by Thornton Wilder, to be presented by the University of Texas Curtain Club for a six-day run, opening March 11 in Austin.

CONTINUED COLD
Frost is forecast for Thursday with continued cold and clear weather.

B. M. McMillion FOR COMMISSIONER NO. 1

B. M. McMillion, Commissioner for Precinct No. 1, of Milam County, is a candidate for re-election, subject to the Primary to be held on Saturday, July 27, 1940.

In announcing for re-election to this important place in the government of the County, Mr. McMillion, his friends point out, is justified on his splendid record as Commissioner in the Precinct. His friends point out that because of his experience and the successful manner in which he has conducted the affairs of his office, the purchase of equipment and preparation for a better and much more extended service, he is entitled to the consideration which he is now asking in re-election to succeed himself in this office.

Mr. McMillion came to the service of the County government only a short time ago and during that period he has been a tower of strength in maintaining a high standard of policy in the operation of the affairs of the County and a high estimate is placed upon his service and upon his ability to continue to fulfill the highest conceptions of public duty.

Mr. McMillion has been working

League Dates Are Changed to March 22, 23, 29 and 30

The University Interscholastic League Meet will be held in Rockdale March 22, 23, 29 and 30.

Superintendent S. C. Miles of the Rockdale schools, director of the League this year, was in Cameron Wednesday and announced changes in the dates for the League. The dates originally announced were March 15, 16, 22 and 23. Due to conflicting arrangements for other events, these dates have been changed and the public is requested to take note of these changes.

Mr. Miles as director of the League has done a splendid work and there is every indication that the Regal City will be host to thousands during the days of March 22, 23, 29 and 30.

EPISCOPAL CHURCH
Sunday, February 25th, Morning Prayer and Sermon at 11 o'clock. Lenten Services Wednesdays 7:30 p. m. and Fridays at 11 a. m.

FULL COMMITTEE MEETS TO-NIGHT FOR WORK

Tonight at First Methodist Church workers under direction of the Pastor Rev. J. W. Mills and Captains will convene for the first general meeting of the committee as a whole to go over plans for the debt lifting drive which is to begin on Monday, Feb. 26th, and continue through March 1st.

The plan is to pay off the church debt. Each night workers will meet at the church to hear about progress during the day. Speakers will be heard each evening.

The program to pay off the debt

and to release the church for a more extended destiny in the community, is regarded here by the citizens as helpful progress for the community and all the people are lending their encouragement.

There was a spirit of enthusiasm on the eve of the first general meeting and much planning for the actual canvass which is to begin on Monday.

By special arrangement with the central committee the Daily Herald will report the progress from day to day next week.

Wants to Thank Two Cameron Women for Aiding His Children Following Auto Wreck

T. L. Schrader of Georgetown was in Cameron late Wednesday trying to locate two Cameron women who picked up his three children near Georgetown on February 10, and took them to a hospital.

Mr. Schrader said he did not get their names but is very anxious to locate them to thank them for their assistance. He wanted to buy advertising space in the Daily Midget but the publishers thought so much of his effort that the space is given in the form of a news item.

Mr. and Mrs. Schrader and their three children were motoring on the highway several miles north of Georgetown about 5:30 p. m. on Feb. 10. Their car crashed a truck and both were severely injured. The children were picked up by two Cameron women and taken to the hospital. "The ladies were driving a black sedan," said Mr. Schrader.

Mr. Schrader requests the women to call him at Telephone 509, Marlin, Texas, as he will be there several days.

MRS. MINNIE BRADEN 80, DIES IN CAMERON

CARPENTER IS RE-NAMED HEAD OF T P & L CO.

John W. Carpenter was re-elected president and general manager of the Texas Power & Light Company and five new directors were named at the annual meetings of the stockholders and the Board of Directors of the Company in Dallas Tuesday.

This year will mark the completion of Mr. Carpenter's twenty-first year as general manager and thirteenth year as president of the Company. New directors named to the board are as follows: R. B. Albaugh, Waco; Ernest L. Kurth, Lufkin; Lewis Johnson, Jacksboro; Allin F. Mitchell, Corsicana; and Jo. W. Patterson, Hillsboro.

Other officers re-elected were W. H. Thomson, vice-president and assistant general manager; W. W. Lynch, Ted B. Ferguson, Edward T. Weck, W. G. Moore and G. B. Richardson, vice-president; J. E. Van Horn, secretary and treasurer; and W. G. Burnett, assistant secretary and assistant treasurer.

The sixteen directors re-elected include Mr. Carpenter, Nathan Adams, Tyree L. Bell, Edward T. Keck, W. W. Lynch, H. L. Seay, W. H. Thomson, and J. E. Van Horn, all of Dallas; E. L. Ashcroft, Sulphur Springs; W. R. Grents, Sherman; Tom H. DeLay, Tyler; L. L. Edwards, San Marcos; S. G. Gernert, Taylor; Thos. Johnson, McKinney; Pat M. Neff, Waco; and Maury Robinson, Paris.

FORD TRACTOR DEALER AT DALLAS MEETING

H. H. Stedman of Hefley-Stedman Motor Co., local dealers for the new Ford tractor with Ferguson system, was in Dallas this week where he joined over 300 other dealers and salesmen from all over Texas in a meeting held Tuesday at the Adolphus Hotel by the Bull-Stewart Equipment Company.

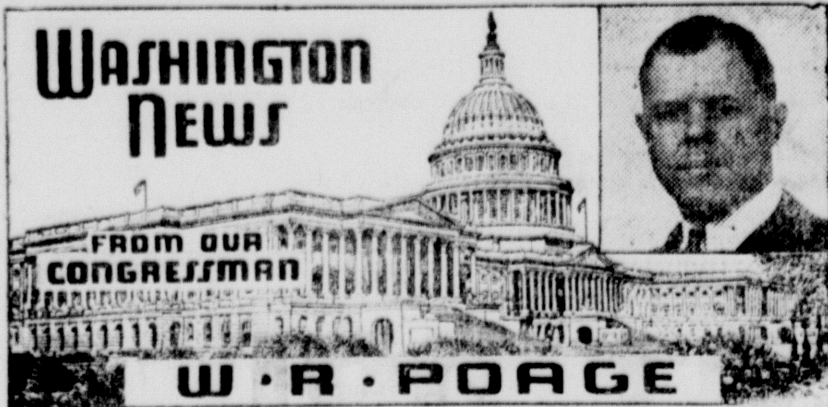

Highlights of the meeting were talks to the dealers by E. C. Sherman, president, Ferguson-Sherman Manufacturing Corporation, national distributors for the revolutionary new tractor and by the guest speaker, C. E. Sorensen, widely-known executive of the Ford Motor Company which manufactures the tractor. Tuesday noon Mr. Stedman joined in ceremonies welcoming the arrival of two special trainloads of the new tractor in Dallas, what is believed to be the largest single shipment of agricultural tractors in the history of the United States. The trains were broken up after the ceremonies and the cars dispatched to dealers in cities and towns throughout Texas. One of the cars will be sent to Cameron, for farmers in this vicinity.

IDA BYRD MAYFIELD MARRIES T. N. WOOD

Mr. and Mrs. J. C. Mayfield of Cameron wish to announce the marriage of their daughter, Ida Byrd to T. N. Wood of San Gabriel. They were married at 7 p. m. on November 29, in the home of Rev. and Mrs. Vernon G. Miles at Hillsboro. The couple were given a buffet dinner following the wedding. He has been superintendent of San Gabriel school for ten years, while Mrs. Wood is a teacher at Buckner Home in Dallas where she will continue to teach until June 7. After that they will make their home in Cameron and San Gabriel. Mr. Wood is a candidate for Superintendent of Education in Milam County.

NOTICE TO THE PUBLIC:

Beginning Wednesday, February 21, general distribution of copies of the Daily Midget from the Herald Office will be discontinued. The little Daily is so popular, a serious problem has developed, requiring more than the publishers are able to give in making distribution at the plant. Tomorrow will be published a list of locations where the little Daily can be obtained.

The House has just passed the Naval Appropriations Bill. Much to the surprise of everybody, there was very little contest and the debate was not nearly so heated as it was on same subject last year. The total appropriation contained in the bill was nearly a billion dollars, \$963,722,872. This is \$111,000,000 less than the amount recommended by the Budget Bureau, but is \$50,000,000 more than was appropriated last year. It will, therefore, be seen that while the House did not see fit to go as far as the most enthusiastic "big navy" advocates would like to see us go, it did go a long way. I think that the attitude of the House can be described as rather reasonable—as providing adequately for all reasonable needs of the Navy and at the same time as giving consideration to the cost. I want our country to maintain a first class navy on both oceans—able to protect our shores against any attack. I believe most Americans want this protection.

There is, however, one factor that many people overlook in the building of naval vessels. It takes not only money but shipyards to build a fleet. The United States has eight battleships now under way. This bill provides appropriations for two more battleships, making a total of ten battleships that will be under construction. In addition, we will have 9 cruisers and two aircraft carriers under construction, in addition to a great number of smaller craft. I understand that we do not have the shipyards of the tremendous size required for the construction of a capital ship to handle any additional battleships until some of the vessels now under construction are completed.

That we may realize how rapidly the American Navy is growing, we should remember that we have at this time but 15 battleships. Since the sinking of the Royal Oak, the British Navy has no more battleships than we do. Of these the Navy has recommended modernization and overhauling of 8. The youngest of these 15 ships is 16 years old. The oldest is 27 years. It will thus be seen that when these 10 battleships we are now constructing are completed that we will have almost double the effectiveness of our our capital ships. This must be done in order to give us complete protection on each coast.

It should also be understood that the appropriation made by Congress in any one year does not cover the entire cost of any one capital ship. The appropriations each year simply provide money to keep the work going. It takes from four to six years to complete a great battleship. One session of Congress appropriates the money to begin construction. Other sessions make appropriations to keep the work going.

Not only does this bill provide for the continuation of construction of new vessels, it carries appropriations for repair and modernization of existing vessels, for the construction for the Naval Air Corps and for the Marine Corps., as well as such establishments as the Naval Academy at Annapolis, the Naval Observatory from which you get the correct time, and finally the pay, subsistence, transportation and supplies for the personnel of the Navy. I think you will be interested in knowing that at present the enlisted personnel of the United States Navy is 145,000 men. This bill will provide for an additional 5,000 men to be recruited into service by January 1, 1941.

Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative" which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Money refunded if not satisfied. 25c. per box, 10 boxes, \$2.50.

Speeds Along HOUSEWORK

Gas-Automatic Water Heater ... an effective household tool!

The modern household, operating as it must on a time schedule, is subject to delay and extra work where there is no automatic system of hot water. Waiting for water to heat can upset an entire household during morning hours to cause children to be late to school ... dad late to work. Automatic hot water is more than a convenience. It is an important tool in making mother's work easier.

Easy MONTHLY TERMS

If your home has outgrown its present hot water service or if it is outmoded and crippled with old age there is no better time than now to modernize. See new models at gas company. Easy monthly terms available. Small down payment. Trade-in allowance on your present heater.

WE WANT YOU TO FEEL AT HOME wherever good beer is sold

The Brewing Industry realizes that decent, respectable people prefer to patronize decent, inviting places.

And we agree with them.

That is why we are taking action—in cooperation with law enforcement authorities—to "clean-up or close-up" beer retail establishments that disobey the law or permit anti-social conditions.

To do this we have instituted a new

self-regulation plan now in operation in a few states and being extended as rapidly as possible.

We think you will be interested in knowing something about this program. May we tell you about it in an interesting free booklet?

"Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering!

It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

Moody

(continued from page one)

citizenship in the world. Whether they are qualified voters or not, I want to meet them, shake their hand, and ask them for their help."

For 11 years Mr. Moody was engaged in the oil business and for the past 2 years has been a citizen of Rockdale, selling automobiles for the Gaither Motor Company. By reason of his business experience and wide acquaintance throughout the County, he feels that he is not a stranger to the people and would readily fulfill all expectations of understanding of the duties of the office.

Mr. Moody known to thousands as "Nig" Moody is a young man of deserving habits and unusual qualifications, friendly, popular and combines all of the ideal qualifications for an outstanding public official. In his race 4 years ago, he polled one of the largest votes ever given a candidate who did not succeed.

Mr. Moody was born and reared in Milam County, grew up on a farm near Minerva and received his early education in his home community and later graduated from Yoe High School in Cameron. An outstanding athlete, Nig was a star foot ball player and enjoyed wide popularity in his high school days and has continued to enjoy the esteem, the good will, and the affections of the people of this county.

Friends point out that he is well qualified for the office, that he would

bring to the administration of its affairs a wealth of experience plus the vigor and energy of a young man who is appealing to the people for an opportunity to prove his worth.

Mr. Moody calls upon his friends throughout the County to support his campaign and during the summer he will see each one to ask for their support, pledging the people in the event of his election, and he will devote his full time and all his energy to make them a District Clerk worthy of all the high traditions the people have invested in their public officials.

McMillion

(continued from page one)

faithfully for some time to bring about a County wide project under the Works Progress Administration and announced on Wednesday that he had every reason to expect early success in his efforts to bring this improvement program to his district. The project, according to Mr. McMillion is planned as a precinct-wide construction of lateral roads which because of the extent of the work involved will give his District one of the best systems of lateral roads in this section of Texas.

Mr. McMillion has equipped his precinct with the very best equipment that money can buy. He not only has the best quality of machinery but has finally been able to buy a sufficient amount to insure in the future a type of work which can only be accomplished with better equipment. All of the equipment has been paid for and Mr. McMillion will be able to go before the people of his District with a record not exceeded by that of any other Commissioner in this section of the state.

Mr. McMillion has been interested primarily in giving the people full value for all money spent and has actively co-operated at all times as a member of the court to safeguard the funds of the county and to maintain balances in the funds to insure the County an advantage in all of its transactions.

This is true with reference to his own precinct where all funds are in order and amply sufficient, thanks to his economy and good business judgment, to insure every possible advantage to the tax payers of Commissioner Precinct No. 1.

Due to his unusual experience and close application to duty, Mr. McMillion fits well into the estimate now being placed by the people on the efficiency of the court and he promises the people of the Precinct to continue the policy he has pursued resulting in so many advantages at such small cost to the people.

Mr. McMillion will see the voters of his precinct this summer to ask for their vote and support and deeply appreciated the co-operation he has had from the people, and pledges them in exchange for their confidence, loyalty to duty and efficiency in every public transaction.

Mr. and Mrs. Conn Moody and Mr. and Mrs. P. W. Davis spent Sunday with Mr. and Mrs. Bud Roberts of Temple.

Mrs. J. E. Johnson is quite ill at her home, 202 North Crockett street. Her many friends wish for her a speedy recovery.

MAY ATTACK GERMANY THROUGH THE BALKANS

Turkey today informed Germany that the Ottoman Empire is preparing for any emergency.

This was taken to indicate that England and France with Turkey are soon to build up and launch a powerful offensive against Germany through the Balkans. In European capitals it was believed that war with Russia is inevitable in the near East.

Turkey was said in some circles to be mobilizing for war.

A new theatre of conflict was due to open up within the next few days.

Observers believe that one way to save Finland is to attack Russia in the near east.

Germany announced today that 20 British merchant ships have been sunk within the past week.

On Monday a German submarine sank the British destroyer Daring, the sixth such warship to have been lost by England since the war began.

Neville Chamberlain in a statement today said the British were within their rights in taking the prisoners from aboard the German ship Altmark.

Sweden was reported in diplomatic circles to have received a promise from Russia that when Finland has been taken the Red army will stop.

The Hoyte Home Demonstration Club is giving a 42 party Friday night, February 23, at 7:45 in the Odd Fellows Hall in Cameron. Refreshments will be served. Admission 15 cents.

"ONLY SAMPLE WHAT IS TO COME" - HITLER

Four British ships were sunk in a convoy late Sunday.

Adolph Hitler in Berlin said this attack on British and neutral shipping is only the beginning of what is to happen within the next few days.

Germany is angry over the British seizure of the ship Altmark from which several hundred prisoners were taken in the neutral waters of Norway.

All neutral countries who do not follow the German interpretation of neutrality are in for wholesale losses in their shipping and commerce.

On the four ships sunk Monday 157 lives were lost. The broadcast did not list the ships as British vessels and indications are they may have belonged to neutrals as the warning issued by Hitler was directed at neutral countries.

In Finland the war was going strongly against the Finns despite dispatches from Helsinki which claimed further Finnish successes. There was every indication that Russia was making significant advances on several fronts.

Mr. and Mrs. Vernon of Austin visited Mrs. John A. Smith Sunday.

Easter Seal Sale to Begin February 24

The Easter Seal Sale drive for crippled children will be launched in Cameron on February 24, and will continue until Easter.

This sale is sponsored annually by the Milam County Health and Welfare Board. This year Mrs. Hilliard F. Smith, Jr., heads the local committee composed of Mrs. J. W. Heater, Mrs. Carl C. Black, Mrs. Stanley Swift, Mrs. J. P. Love and Mrs. William Hefley.

Half the proceeds of the sale are to be retained for work among crippled children in Milam County. The remaining half goes into the state fund which is then divided among the counties in proportion to the need for work among crippled children.

Since 1933 when this movement was inaugurated, 46 crippled children in Milam County have received benefits such as hospitalization, medical care, appliances, physical and occupational therapy.

The total value of the work carried on in Milam County to date has been \$11,152.58.

Among those who were in Cameron on business Tuesday were: Ross Gozemer of Briary, Wright Ellison of Baileyville, Emmet Andrews and Garland Coffey of Tracy, W. J. Smiley of Baileyville and S. C. Miles of Rockdale.

Nazi Lose Ship; Send Norway Ultimatum

Nazi Germany sent an ultimatum to the Norwegian Government today demanding immediate mobilization against Great Britain because a German war ship fell a victim late Friday to English ships in a spectacular naval battle off the Norwegian coast, similar to that of the Graf Spee battered and driven into the harbor by British cruisers at Montevideo, Uruguay.

The German government angered over the loss of another naval vessel declared Norway will be held responsible because the British War ships were attacking in neutral waters.

According to radio broadcasts the German ship was forced into port with a number of her crew dead. British war ships had won another naval battle and radio broadcasts said that British War ships had picked up several hundred German sailors which would indicate, perhaps, another German ship had been sunk in the naval battle.

It was said the British ships ran the German warship, thought to be a cruiser, down the Norwegian Coast within 600 yards of land and continued to shell the vessel as it entered the harbor.

War ships were standing by and waiting for the German ship to come out. It was believed, however, the German ship because of the British gun fire would not be able to navigate again.

The action taken by Germany over the incident was looked upon as an event of far reaching consequence and may bring the Nazi into the Baltic War.

The situation in Finland remained unchanged with the Russians continuing to make progress on the Mannerheim Line.

CHRISTIAN SCIENCE SERVICES

"Mind" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientists, on Sunday, February 25.

The Golden Text is: "Great is our Lord, and of great power: his understanding is infinite" (Psalms 147:5.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "God be merciful unto us, and bless us; and cause his face to shine upon us; That thy way be known upon earth, thy saving health among all nations" (Psalms 67:1 2.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health, with Key to the Scripture" by Mary Baker Eddy: "The basis of all health, sinlessness, and immortality is the great fact that God is the only Mind; and this Mind must be not merely believed, but it must be understood" (page 339.)

CHURCH LEAGUE

The Church League of Cameron played their weekly games Monday night at the Yoe High School Gymnasium. The Presbyterians defeated the Baptist 12 to 0, the Methodist won from the Maysfield team by a score of 8 to 7, and the Jones Prairie boys were defeated by the Catholics. These teams are the Senior league.

The Junior teams had two games. The Presbyterians were beaten by the Christians with the score 5 to 4. The Catholics won the game between the Catholics and the Baptist.

TEMPLE MEN FINED

Will Whitlow and Walter Rothrock of Temple were fined \$15 in Justice Court here Friday following their arrest by Constable B. F. Bailey who said the men were drunk. They were seated in a car on South Second Street when the officer found them.

GOLDEN ANNIVERSARY

Fifty years ago, on February 12, 1890, two young people, John Svetlik and Maria Adamek plighted their troth each to other, "till death do us part."

On February 11, 1940, an informal lunch and dinner was served to a host of relatives and a few friends who gathered at their home in the Buckholts community to celebrate with them their Golden Wedding Anniversary.

Mr. Svetlik was born in Czechoslovakia, May 4, 1865. He came with his parents to the United States in 1884, when a boy of 18 years. Their first home in the U. S. was in Texas, Washington county, with a sister. Mrs. Svetlik was born in Czechoslovakia, December 24, 1873. She came with her parents to the U. S. when only 6 months old. They too settled in Washington county where Mrs. Svetlik lived until her marriage. After their marriage the Svetlik's moved to Bell county. After some time of farming there, they moved to Milam county. They now reside near Buckholts.

Mr. and Mrs. Svetlik have had 12 children, eight of whom are living. Mr. Svetlik has one living sister. Mrs. Svetlik has three sisters, three brothers and their mother, Mrs. Johanna Adamek of Burleson county.

An attraction of the afternoon was a motion picture made by Jimmie Coleman of Cameron. He was accompanied by Mrs. Moore of Waco, whose husband is with the Coleman Funeral Home in Cameron.

On this occasion with the Svetlik's were their children and grand children as follows: Steve, Agtome and Frank Svetlik, Mr. and Mrs. John Svetlik, Jr., and son, Mr. and Mrs. Ernest Fuch and children and Mr. and Mrs. J. R. Ruzicka and children, all of Buckholts, Mr. and Mrs. W. P. Matyastik and children and Mr. and Mrs. F. W. Vogelsang and children of Cameron. Grand children and great grand son, Mr. and Mrs. C. A. Morgan and Clifford Ray, Mrs. Svetlik's sisters and their husbands, Mr. and Mrs. Fred Spiess of Somerville, Mr. and Mrs. C. F. Tonn and Mrs. Rosie Brote of Brenham. Also one of Svetlik's bridesmaids, Mrs. Steve Marak of Brenham. There were about thirty-five other guests present, including nieces, nephews and friends.

Everyone seemed to have had a most enjoyable time and many gifts were received.

WAR

Red Russia, setting February 22, as the day to conquer Finland seemed far from that goal.

There was every indication the war may be prolonged as Finland continues to hold out.

Two German bombing planes were shot down by the British this morning.

Sweden will shoot down any plane flying over her territory.

There was an intense air battle off the coast of Norway but no details were learned.

Mrs. Gladys M. Watson and mother, Mrs. H. C. McKee, formerly of Cameron, now of Fort Worth, concluded a few days visit here Wednesday afternoon. Mrs. Watson had been invited to give a paper at the Annual Water Works State Association that is being held at A & M College, Feb. 16 to 23. This was the annual meeting of the Association. After giving her paper on "Obtaining Consumer's Good Will," she was asked for a copy as they wished to have it reproduced in their State bulletin. Her paper was well received by this large assembly. Mrs. Watson was tendered a number of social courtesies while in Cameron, and was honor guest at a reception of the Woodmen Circle Tuesday afternoon held at the home of Mrs. H. N. Tate, when some 65 friends met her. She was also tendered a lovely six o'clock dinner by Judge and Mrs. Jeff T. Kemp Monday evening.

At this time her mother, Mrs. McKee and Mrs. Bob Wiley and Miss D. Scott were guests. Mr. and Mrs. M. G. Cox were delightful hosts for a midday luncheon at the home Wednesday. While here Mrs. McKee was the guest of Mrs. Bob Wiley and Mrs. Watson was the guest of Miss Delphya Scott, who accompanied her to Bryan to the Monday meeting. Their many friends in Cameron were pleased to have them make a return visit to their old home.

Miss Opal Pettit became the bride of Floy R. Balch Saturday afternoon Feb. 17, Judge Jeff T. Kemp reading the ceremony in his office at 1:30 p. m. The bride is from Belton and the bridegroom makes his home in Temple where they will keep house.
